---

The Association of Medical Professionals with Hearing Losses (AMPHL) would like to announce that its annual elections will be held in September 2010.

AMPHL is currently seeking qualified applicants for twelve (12) board of director positions whose terms will end in 2012. Please be aware that at the time of the election, no more than 1/3 of the elected directors may be of normal hearing. No more than 1/3 of the elected directors may be of the same professional field. If an applicant is from a professional field not listed as one of AMPHL's recognized professions on the website, that profession must have passed phase 1 of the focus group application process or had that process waived by majority vote of AMPHL's Executive Committee, in order for the applicant to be considered.

All officer positions are elected every two years on the even numbered year. AMPHL is seeking applicants for the following officer positions: President, Vice President, Treasurer, and Secretary.

---

---

It is expected that all officers and directors be very actively involved with at least one committee or project related to AMPHL's goals. All officers and directors are expected to give monthly updates on their activities to the Executive Committee. AMPHL requires more time commitment at certain times of the year such as during the busy months before a conference, which is scheduled for August 6-7, 2011. AMPHL also requires keeping in touch with other AMPHL officers and directors in a timely manner. You should expect a minimum of two hours a week to be devoted to AMPHL.

Benefits of officers and directors include free AMPHL subscribership and free AMPHL conference registration.

For more information regarding the qualifications for and duties of the AMPHL Board of Directors and Officers, please refer to <http://www.amphl.org/bylaws.html>. For more general information about AMPHL and its purpose, please go to <http://www.amphl.org>

If you are interested submitting your name for consideration for any Board of Director and/or Officer positions or if you have any questions, please contact AMPHL at [secretary@amphl.org](mailto:secretary@amphl.org). You will then receive a questionnaire to complete. This questionnaire must be completed by September 15, 2010. Election results will be posted within two months of the application deadline.
